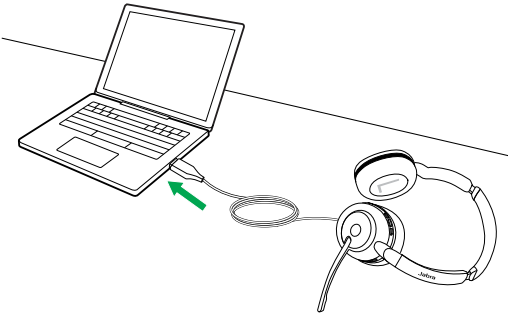
Carry pouch

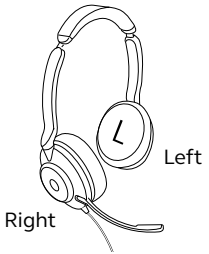
3. How to connect

3.1 Connect to computer

Plug the Jabra Connect 4h into either a USB-A or USB-C port on your computer, depending on the USB variant of the headset.



4. How to wear



4.1 Adjusting the headset

While wearing the headset, adjust the headband so that it fits your head comfortably.

When using the microphone, it should be positioned close to your mouth.

Jabra
L

5.1 Calls & music

Right	Calls and music	
	Answer call	Press the **Multi-function** button
	End call	Press the **Multi-function** button
	Reject call	Double-press the **Multi-function** button
	Play/pause music	Press the **Play/pause music** button
	Raise volume	Press the **Volume up** button
	Next track	Press and hold (1 sec) the **Volume up** button
	Lower volume	Press the **Volume down** button
	Restart track	Press and hold (1 sec) the **Volume down** button to restart the current track. Press and hold twice to play the previous track.

	Mute/unmute microphone	Press the **Mute** button, when on a call. Alternatively, move the microphone boom-arm up to mute, or down to unmute.

5.2 Sidetone

Sidetone enables you to better hear your own voice when you are on a call.

Sidetone settings can be configured using Jabra Direct.

5.3 Voice guidance

Voice guidance are announcements that will guide you through set up, or will give you headset status updates (e.g. mute status).

Right	Voice guidance	
	Turn Voice guidance on/off	Press and hold (5 sec) the **Mute** button and the **Volume up** button until you hear an announcement

Alternatively, use Jabra Direct to turn Voice guidance on or off.

5.4 Multiple call handling

The headset can accept and handle multiple calls at the same time.

Right	Multiple call handling	
	End current call and answer incoming call	Press the **Multi-function** button
	Put current call on hold and answer incoming call	Hold (2 secs) the **Multi-function** button
	Switch between held call and active call	Hold (2 secs) the **Multi-function** button
	Reject incoming call, when on a call	Double-press the **Multi-function** button

6. Software and firmware

6.1 Jabra Direct

Jabra Direct is computer software designed to support, manage and enable optimal functionality for Jabra devices.

Download the latest free version from jabra.com/direct

6.2 Update firmware

Firmware updates improve performance or add new functionality to Jabra devices.

1. Connect the Jabra Connect 4h to a computer.
2. Use Jabra Direct to check for the latest firmware updates.
